NOTHING CAN be gained by delaying the selection of the Christmas gift, and there's everything to win by buying now—and here. To facilitate the selection we've grouped a great assortment of appropriate remembrances for each member of the family—to choose the right thing here is made doubly easy.

There are suggestions that it will please and profit you to give and the recipient to have. Wisdom says buy now before the best are gone and when you can make the decision without undue haste. Buy before the "hurly-burly" of later choosing sets in.

THE GREATER PALAIS ROYAL

PERFORMANCE IS proof. Price by itself means nothing. What you get for what you pay is the measure of value. Worth is tried out by the test of time.

Everything in this store is guaranteed for satisfactory service. The first cost is the right cost because it is fair. In after years you will find its quality was just as represented—or better, perhaps—never less good. That is the only kind of merchandise that we care to sell—goods whose faithful service measures the final cost.

Link the Palais Royal—as ever—with reliability.

A. Lisner, G and Eleventh streets.
